

Sauna Heaters

Floor Standing Heater OCS-B

OCS-B is a floor standing Oceanic sauna heater, we offer this model in 3 sizes: 10.5kw 12kw and 15kw, low voltage control panel and high voltage control box.

An extra heavy duty free standing sauna heater in stainless steel. Built for day long operation and equipped with Long life incalloy elements, supplied complete with a quantity of rocks, user instructions and 12 months guarantee. Please note the controls are supplied separately if required.

Specifications:

- A large and improved control panel showing the time in hours and minutes, and displays the temperature in Centigrade or Fahrenheit according to customer preference
- Dual modes which allow the customers to preset the operating time and the waiting time
- Sequential heating system to save energy and prolongs the life of the main parts
- Diagnostics - 8 LEDs on the control panel show different working stages and operations for elementary diagnosis if a problem should occur.
- Switch for sauna cabin lamp
- Double safety protection:
- High temperature cut-offs for both the sauna cabin and the sauna heater.
- Stainless steel shell
- Complies with new CE standard with door interlocking function

Every Oceanic sauna heater is subjected to the following strictly controlled tests:

- 48 hour continual test for circuit board
- Operational test of every sauna heater before packing
- Controller is tested for all functions
- High voltage test
- Earthing resistance test

OSC Series Sauna Heater Parameter

Model	Power (KW)	Heating Element	Voltage (V)	Phase (N~)	Stones kg	Dimensions L x W x H (mm)
OCS90B	9	6	230	3	40-50	480 x 560 x 660
OCS105B	10.5		400	3	40-50	
OCS120B	12		400	3	40-50	
OCS150B	14.1		400	3	60-70	
OCS170B	16.2	9	400	3	60-70	700 x 560 x 660
OCS180B	18		400	3	80-90	
OCS210B	20.1		400	3	80-90
